SABINET Online

Gerhard Kemp

The screenshot shows the Sabinet Online website interface. At the top, the logo 'Sabinet Online' is displayed next to three small images: a hand holding a book, two hands shaking, and a stack of books. Below the logo, a navigation bar contains links for 'About Us', 'Products', 'Company Profile', 'Map & Directions', and 'Contact Us'. A date stamp on the right indicates 'Wednesday 15 October 2003'. The main heading reads 'Welcome to Sabinet Online'. The introductory text states that Sabinet Online Ltd celebrated its 20th year in the information industry in February 2003, highlighting its role as a leader in facilitating electronic access to information. A paragraph describes the company's strengths in technical skills, strategic elements, and its long track record of experience and effectiveness in addressing diverse needs across academic and government markets. Another paragraph mentions the company's client base of over 630 institutions, including academic, government, and corporate clients. On the left side, there are links for 'Academic & Library Division', 'Corporate Division', and 'Message from MD'. Below these is a '2003 Best Company to Work For Survey' badge. A 'PROUDLY SOUTH AFRICAN' badge with the South African flag is also present. At the bottom left, there is a 'Product Portfolio' button. The 'Academic and Library Division' section is partially visible at the bottom right, stating its dedication to serving academic institutions, government libraries, and other library clients with value-added access services.

Wednesday 15 October 2003

Welcome to Sabinet Online

Sabinet Online Ltd celebrated its 20th year in the information industry in February 2003. During these 20 years, Sabinet Online established itself as a leader in facilitating electronic access to information. It understands and caters for the needs of information users across a broad spectrum of markets.

Through the utilisation of the company's excellent technical and people skills, as well as strategic elements from its portfolio of products, it is in a position to offer solutions to clients' information needs. Few companies can match Sabinet Online's long track record of experience and effectiveness in addressing the diverse needs of a large and continually growing client base, spanning the corporate, academic and government markets.

Sabinet Online serves a client base of more than 630 institutions that includes academic institutions, as well as government and corporate clients.

Academic and Library Division

Sabinet Online Academic and Library Division is dedicated to serving all Academic Institutions, Government Libraries and other Library clients with value-added access to information services, cataloguing- and interlibrary loan support services.

Chapter 2 1st Manassas July, 1861

The Manassas National Military Park is located 26 miles south of Washington DO near the intersection of I-66 and VA 234 at 12521 Lee Highway, Manassas, VA 22110. The phone number is 703-754-1861. The Visitor Center is open daily except Christmas.

By the evening of July 21st, 1861, after the sounds of the first shots of the Civil War proper had died away and the smoke of battle had cleared, those two names would be echoing across the nation. It was the real beginning of a conflict that would have a momentous effect on the American continent. It
